| Aquilegia chrysantha (Denver Gold Columbine)         | Heuchera (Coral Bells)                                    |
| Argemone polyanthemus (Prickly Poppy)                | Hibiscus syriacus (Rose of Sharon)                        |
| Asclepias tuberosa (Butterfly Milkweed)              | Hydrangea arborescens selections                          |
| Asclepias incarnata (Rose Milkweed)                  | Hypericum frondosum 'Sunburst'                            |
| Berlandiera (Chocolate Flower)                       | Hymenoxys (Perky Sue), several species                    |
| Betonica foliosa (Betony)                            | Knautia macedonica                                        |
| Buddleia davidii (Butterfly Bush)                    | Kniphofia (Red-hot Poker)                                 |
| Campsis radicans (Trumpet Vine)                      | Koeleruteria paniculata (Golden Rain Tree)                |
| Callirhoe involucrata (Wine Cups)                    | Lallemantia canescens                                     |
| Calylophus hartwegii v Fendleri (Fendler's Sundrops) | Larkspur                                                  |
| Calylophus serrulatus                                | Lavender, English                                         |
| Campanula, many species (Bellflower)                 | Lavandula                                                 |
| Caryopteris 'First Choice' (early Blue Mist Spirea)  | Leucanthemum (Shasta Daisy)                               |
| Catananche coerulea (Cupid's Dart)                   | Liatris spicata, L. ligulistylis (Gayfeather)             |
| Chamaebatia multiflora (Fernbush)                    | Lilium regale (Regal Lily)                                |
| Chilopsis linearis (Desert Willow)                   | Lonicera, several species & cultivars (Honeysuckle Vines) |
| Clematis 'Betty Corning'                             | Lychnis coronaria (Rose Campion)                          |
| Clematis 'Etoile Violette'                           | Lychnis chalcidonica (Maltese Cross)                      |
| Clematis fruticosa 'Mongolian Gold'                  | Lysimachia numm. (Creeping Jenny, Moneywort)              |
| Clematis integrifolia (Bush Clematis)                | Malva moschuta alba                                       |
| Clematis x texensis 'Princess Diana'                 | Malva sylv. Mauritiana (Magic Hollyhock)                  |
| Clematis The President                               | Melampodium leucanthum, (Blackfoot Daisy)                 |
| Coreopsis – many species & cultivars                 | Michauxia tchehatchewii (Catherine Wheel)                 |
| Dalea purpurea (Purple Prairie Clover)               | Mirabilis multiflora (Desert Four O'Clock)                |
| Datura meteloides (Angel's Trumpet)                  | Monarda (Bee Balm), several species & cultivars           |
| Delosperma (Hardy Ice Plant), many selections        | Nepeta siberica (Siberian Catmint)                        |

*Oenothera berlandieri* ‘Siskyou’ Pink Evening  
Primrose

*Oenothera fremontii* ‘Shimmer’

*Oenothera macro.* (Missouri Evening Primrose)

*Origanum* sp., many species & selections

(Ornamental Oregano)

*Papaver somniferum* selections (Lauren’s Grape,  
etc.)

*Patrinia scabiosifolia*

*Penstemon pinifolius* (Pineleaf Penstemon)

*Penstemon rostriflorus* (Bridge’s Penstemon)

*Penstemon x mexicali* ‘Pike’s Peak Purple’

*Penstemon x mexicali* ‘Red Rocks’

*Perovskia atriplicifolia* (Russian Sage)

*Platycodon grandiflora* cultivars (Balloon flower)

*Potentilla fruticosa* (Shrubby Cinquefoil)

*Psilostrophe tagetina* (Paper Flower)

*Ratibida columnifera* (Mexican Hat)

Roses, many re-blooming cultivars

*Rudbeckia* (Black-Eyed Susan) species & cultivars

*Ruellia humilis* (Wild Petunia)

*Salvia darcyi* (Mexican Scarlet Sage)

*Salvia* x ‘Windwalker’

*Salvia greggii* ‘Furman’s Red’

*Salvia pachyphylla* (Mojave Sage)

*Saponaria x lempergii* ‘Max Frei’

*Scabiosa caucasica* (Pincushion Flower)

*Scutellaria baicalensis* (Chinese Skullcap)

*Scutellaria suffrutescens* (Cherry Skullcap)

*Sedum* (Stonecrop), many species & cultivars

*Seseli gummiferum* (Moon Carrot)

*Solidago* (Goldenrod), species & cultivars

*Sphaeralcea angustifolia* (Tall Globemallow)

*Spirea* sp. (Summer-blooming Spirea)

*Stachys byzantina* (Lamb’s Ears)

*Stachys monnieri*

*Teucrium chamaedrys* (Wall Germander)

*Teucrium cossonii* Harlequin’s Silver

*Teucrium majoricum*

*Teucrium hyrcanicum* ‘Purple Tails’

*Teucrium rotundifolium*

*Verbena bonariensis* (Cluster-top Verbena)

*Verbena bipinnatifida*

*Verbena* ‘Red Devil’

*Verbena wrightii*

*Zauschneria* g. Orange Carpet (Hummingbird Mint)

*Zinnia grandiflora* (Prairie Zinnia)
